A GOOD DEED GETS REWARDED

Pussy Pick-Up

I think it was the motor scooter. I know I didn't have any lascivious thoughts when I first saw the reddish-brown-haired, tall and curvy girl standing impatiently on the bus stop. It wasn't a matter of my thinking, "Let's offer her a ride and see what happens." I think it was just because I was enjoying my brand new vehicle, I was in an adventurous frame of mind, and maybe I wanted to share my enjoyment a little. Maybe I was just being a good Samaritan.

I'd wanted a motor scooter not a big ol' hefty motorcycle but a cute, playful motor scooter for a long time, and when my car showed signs of being on its last wheels, I decided to replace it not with another car but with what I really wanted. And that day, only two days into ownership of the motor scooter, I was still getting some serious pleasure out of riding it around town.

I was stopped at a light, adjacent to a bus stop, when I saw her. She was obviously waiting for a bus, was obviously in a hurry (she kept looking at her watch and was pacing impatiently), and the impulse hit me. "Want a ride?" I called out, before I even stopped to think.

She looked at me, looked back up the street to see if a bus was coming, then said, "Thanks," and climbed on. It was a tight fit. "I'm going to the hospital downtown. Is that do-able for you?"

"Yup, but I don't have a second helmet," I warned.

"How good a driver are you?" she asked.

"I don't know. I just got this thing...but I seem to be doing okay. Hold on to me," I said as the light changed. And we were off.

"Thanks. You're a lifesaver!" she said when we pulled up to the main entrance of the hospital.

"Not literally, I hope. I mean, should I have dropped you at the E.R.?"

"No. I'm visiting, not sick. My brother's the patient. But I have to be somewhere on business in an hour, and...."

"I can come back for you in half an hour if you want. Any excuse to ride this thing. I'm enjoying the hell out of it!" But to tell the truth, this time my motives

were lascivious. I'd enjoyed the feel of her warm, full boobs as they pressed into my back and her hands as she held tight to me. She'd gripped me almost sensuously...or was it my imagination? I couldn't be sure.

And indeed I had been driving demurely. I'm no speed demon. But I'd still been enjoying zipping down the road, weaving around the traffic I'd encountered, feeling the wind catch the ends of my long hair, below my helmet, and ruffle it. And I'd enjoyed the feel of her warm body behind me, her arms wound around me, her breath tickling my neck.

"Oh, that's too much of an imposition!" she protested at my offer. But she sounded like she wanted to say Yes.

"I'll be back here at 2:30," I said. "Unless your business

appointment is in Zanzibar or Timbuktu.”

“The corner of Grove and Cedar,” she answered with a laugh.

“I’ll be here.”

And I was. I drove her to her appointment, and when she got there, she said, “I really owe you big-time for this. Can I invite you over for dinner one night soon...like tomorrow?”

“You don’t owe me a thing...and I accept.” I wondered if a payback was all she was offering.

She handed me her business card. “That’s my home address too. I work from home.” I looked at it. Finally, I knew her name Gina.

“I’ll bring the wine, Gina.”

“You don’t have to.”

“But I will. Oh...and I’m Kathryn. Kat for short, if you want, but never Kathy. Red wine or white?”

The time came soon enough. We’d had a drink before dinner and discussed her brother in the hospital and our respective careers. We’d started eating dinner and began discussing my new vehicle. “What made you choose a motor

Pulling me down onto the bed, she spread my thighs, crawled between them, and kissed all over my springy pube patch.

scooter?” Gina asked.

“It seems more like a fun vehicle than either a motorcycle or a car. When I think of women on motorcycles I think of...well, ‘dykes on bikes’. And I’m not a dyke...just a bisexual.” There, I’d gotten it out in the open.

We finished our dinner quickly. “There’s cheesecake too but what do you say we let it wait?” Gina suggested. “The dishes can wait too.” We left them on the table and hurried to the bedroom.

I undressed Gina, kissing her breasts as I uncovered them, swirling my tongue around her nipples, sucking on the reddish-brown cherrystones and feeling them get hard as I did. Eagerly I drew down her pants and the bikini panties beneath them. The crotch of the bikinis was drenched with her love fluids, and I stopped to put the crotch in my mouth and savor Gina’s essence. Then I went straight to the source for a much more satisfying drink.

Gina squealed as she felt my tongue slither into her slit as she stood there. My searching tongue explored the rich, musky, tangy-tasting folds of her inner labes, lolling around the lush landscape and causing her pussy to sluice even more fluids out of her weeping canal. But her legs seemed ready to buckle, and Gina seemed unsteady as she stood there. I guided her to her bed and pushed her down.

“Let me return the favor a little...please,” she said in a voice made deep by her lust. Pulling me down onto the bed, she spread my thighs, crawled between them, and kissed all over my springy pube patch. “Mmmm,” she moaned as she took a long, deep breath, clearly savoring my scent. Then she kissed her way to my thickened outer labes and nibbled up and down each of them.

Finally she thrust her tongue daintily into my cleft, slurping up my sauce and then probing up into my canal to coax out more. Reaching up to my boobs, she thumbed both nipples, the pads of her thumbs making small circles as she continued lapping inside my seeping pussy-hole. “Let me

get another chance to make you feel good,” I husked as I dived down between her legs again.

I thrust three fingers up her pussy-canal (and though she was tight, she was so wet that I slid up easily). Then I fucked her in and out with my fingers, fucking her hard and fast while she writhed in response. Removing my fingers, I lifted her two thighs with the arm of my other hand, exposing her rosebud pucker. Then I took aim with my juice-slicked middle finger.

When Gina realized my intention, she squealed. Then she said, “Go easy. I’m not used to being...to being messed with back there.” But she didn’t say, “Stop,” so I didn’t stop. I just went gently and easily as I poised my finger at the opening to her anal channel and delicately pushed inward.

Her asshole blossomed and let me in, although not without some resistance. But soon I had my middle finger easily and firmly lodged in her cute butt. Then I pressed my index finger inward to join it. That finger went in more easily than my initial finger had, so I added the third finger I'd wet and soon was fucking her ass with three fingers. Gina was humping up and down that I hardly had to move my fingers at all; she was fucking herself on them.

But I moved those fingers anyhow, driving them in and out of her butthole, plunging as deeply as I could. Then I removed the arm that was holding up her thighs and used

that hand to fingerfuck her pussy. The hand up her ass could feel the hand up her pussy, and let me tell you it was one tight fit!

“Oh, yessss!” she howled as she felt my thumb rub insistently on her come-button. “Oh, do it, yessss!” And then she was howling out her climax as she reached the brink and tumbled over, screaming all the way. I watched the planes of her slightly rounded stomach tense and tighten as she barrelled into her orgasm, watched as her areolae crinkled up, making her stiff little nipples seem to jut out farther, elongating as they hardened.

When she finally collapsed, momentarily inert and momentarily sated, into a satisfied puddle of contentment on the bed, her body was covered in a fine sheen of sweat that glistened in the lamplight. Inspired, I licked my way up, down, and across her body, soaking up the sweat with my tongue.

“Now you!” she weakly insisted.

“Catch your breath first. Just relax for a minute.”

But she wasn't listening. She was determined to return the favor. “Do you like having your asshole played with too?” she asked. Opening her nighttable drawer, she removed a

couple of toys. One was a vibrator with a thin rubber finger that seemed built for anal pleasures. The other was a two-headed dildo. She also took out a tube of gel.

Lubing the finger, she slid it carefully up my butthole and then turned on the vibrator. I felt the buzzing up my ass. Then she slid one end of the double dong up my pussy. She certainly didn't need lube for that, as wet as I was. And she didn't need lube for the other end, either, as she slid it up her own canal.

Lying flat on top of me, she fucked up and down, driving the double-headed dildo in and out of both our pussies. I joined her in her fuck-thrusts, driving the dildo even harder. Her boobs rubbed mine, and our lips met in a deep kiss as we drove our bodies hard against each other and drove the dildo deep in both our holes at the same time.

I could hear the squishing noises as the two heads plunged in and out of us, and the sound turned me on even more than I already was. Fuck-fever was raging through my veins as I squirmed and pressed and ground and wiggled, and to judge by Gina's reactions, she was feeling something like I was. She was as hot as if I hadn't just given her a huge climax, and she moaned mouth as our tongues slithered against each other, back and forth from my mouth to hers.

The vibrator up my ass was doing a good job of stimulating nerves that didn't often get such treatment. I could feel the buzz not only in my asshole but in front, in my pussy as well. Between the vibrating finger, the dildo, and Gina's hot body pressed lasciviously against mine, I was rapidly nearing my crest.

Gina was clearly nearing hers too. She began to gasp deep, desperate gasps of impending climax, as she struggled to come off a second time. Then it hit her just before my own orgasm thundered through me and it seemed every bit as strong a come as her first one had been. She raked my shoulders with her fingernails as I continued wildly gyrating beneath her, humping my body up against her body and straining to get off.

I sobbed out my climax when it hit. Releasing her mouth, I bit my own lip. As I pounded the mattress with my hands, Gina, who was gentling down from her orgasmic high, stroked my face and traced a finger across my cheek.

She sat upright on me, the dildo still buried inside the two of us, and she made little motions that moved it slowly, gently back and forth. “I enjoyed riding you even more than I enjoyed riding your motor scooter,” she teased.

“See...who said good deeds go unrewarded?!” I answered. Then she climbed off me, removed the dildo, and settled down next to me, cradling her head on my shoulder for a little post-sex snuggling. But the vibrating finger was still quivering in my asshole.

I made no attempt to remove it or turn it off, though. I was sure we were going to be right back at it in no time. I had latched on to a sexual dynamo when I picked Gina up at that bus stop. And I had no intention of turning her loose.

CUM, SPEND YOUR DAY WITH ME

PUSSIES AND MOUTHS AND COCKS, OH MY!

VIRGINAL VERONICA

A college student's hot box is finally ready to be plowed

One of the things that really attracted me to Veronica was that she was still a virgin at 19. Hey, you don't find many of those in colleges any more, unless you go to one of those religious schools. And even then I wonder....

Ronnie was just so sweet—a honey blonde with big, cornflower blue eyes and the cutest body, too shapely rump, nipped-in waist, the perkiest tits I've ever seen. Really mouth-watering. Well, I hadn't seen them in the flesh, of course, but she wore skimpy T-shirts, and every bit of her tits showed—especially those hard nipples. Sometimes in class I'd daydream about sucking those tiny rosebuds. Of course, I always got a hard-on thinking about them.

So one day Ronnie announced, "I want to lose my virginity, Josh, and I want you to be the one who does it!"

Hey, what's a guy to say? I grinned.

"I'd be delighted to pop your cherry, Ronnie."

We went back to her cluttered one-room apartment off campus, where Ronnie lost no time and quickly undressed. I was right about her body perfect. I stripped, and we tumbled into the bed.

I attached my mouth to a tit, licking and lapping those nubbins for all they were worth. I chewed on them, making her moan. I've been told I'm very good with my mouth. My hand stroked her flat stomach, then ambled down to her pussy. She'd shaved her fur to a narrow racing stripe, and I tugged at the curls there, then spread her puffy lips, then gently eased a finger into her tight box.

She grunted a bit. I raised my head from her tiny titties. "This is gonna make it easier for you, hon, when I put my cock in you. I don't wanna split you in two!"

"Okay."

I could tell from her voice that she was hurting a little, but I guess that's natural. Girls have that hymen thing and all, which I guess I'd busted already. I pistoned my finger in and out, then slipped in another one, and yet another one. Did I mention my cock is really wide? I wanted to loosen her up,

because otherwise she was gonna have a really tough time fitting her Venus glove around my hambone.

When I thought she'd been finger-fucked enough, I settled between her legs. She smiled up at me. Her nipples were bright pink from where I'd been chewing. She started playing with them, and that turned me on even more.

God, the possibilities! Should I fuck her face-to-face, or get her up on all fours? I love burying my cock in a girl's pussy from behind. Behind. Hmmm. I could fuck her ass. I could fuck her pussy and ass. Too bad her tits weren't bigger—I could fuck them as well. And then there was that red mouth. Hmmm. No, first things first, I told myself. Her pussy called to me with its musk.

I grabbed my cock and rubbed it up and down her puffy lips. She was one juicy puss—her honey was already coating my cock, and I hadn't even slid my sausage in.

Time to go home: I inched my thick cock into her waiting slit. She bit down on one of those bee-stung lips, and to tell the truth, I almost shot my wad then. Could she get any more appealing? I didn't think so.

She was tight, despite my trying to open her up, and she grunted with each inch I buried in her. Gradually my strokes lengthened, and as I pistoned in and out of Ronnie's juicy slot, I asked her, why me?

"All the girls say you're the best," she panted, thrusting her hips up. For a virgin, she was really getting into it now.

"Oh yeah?" I preened. I hadn't slept with dozens, but I figured my work was quality, not quantity.

I fucked her faster now. "Ooooo, yes, they say you're good in bed, considerate, don't talk about your conquests, healthy and you have one of the widest cocks on campus. You know, girls don't like long cocks, Josh, they like wide cocks. Oooooooooooooo, yesss, yesssss."

"Oh yeah?" Right now my fat cock was searching for a way to her tonsils. Her pink nubbins beckoned, so I applied my lips and tongue, making her whimper. For added fun, I slipped a hand beneath her, found her little puckerhole, and started plowing her back field. Veronica writhed under my ministrations.

I could feel my head of steam building up, so I slowed my pace a bit, taking it nice and easy. I wanted her to

come just about the time I did. I think that's important for a girl, especially when it's her first time.

Ronnie's hands gripped my shoulders as she twisted her hips back and forth. I quickened my tempo.

"Oooooooooo, yes, yes!" She'd thrown her head back in ecstasy as I rammed my meat deeper into her hot box. She cried out again and again, slamming her pelvis against me, digging her fingernails into my shoulders. I couldn't hold back any longer.

"I'm gonna blow!" I yelled, feeling my jizz fountain out, filling her as I pumped and pumped. She screamed and panted as my jizz gushed up that juicy pussy.

Gasping, I continued pumping until I didn't have a drop of spunk left. Sweaty and panting, we both flopped back on the bed. I just couldn't keep my hands to myself, though, and idly one finger poked in and out of her very hot wet box.

The phone rang and she answered it. "Oh yeah. He's here. Oh, yes! Fantastic! I can't begin to describe it."

I grinned.

"Oh yes, come on over." Veronica hung up. "I hope you don't mind, Josh, but a couple of my friends are coming over." She kissed my ear. "They're

virgins, too."

Instantly my flagpole went erect. "Not at all, Ronnie. Keep 'em coming. I'll do the same." Then I leaned over and kissed her perfect lips.

IT'S PAINLESS

Seduction in the dental chair

I am a professional man age 32. I'm a dentist working in a rather large dental group with my name on the door. I've been in practice for almost six years and I've had all types in my chair. The office is four blocks from the state's largest university so I get a lot of college kids coming in with their perfect teeth and large cavities. Now, many men can claim that they know the psychology of women fully but after reading my letter, some should reconsider. As I told you I am a dentist and one fine day I was at my practice when...

After a few patients in the morning, a young woman enters my room and plops down on the chair, probably around 20 years old. My assistant

brings in her x-rays and I put them on the light box. I turned the lights down for a better look. The girl was now sitting in the chair, leaning back in expectation of my diagnosis. I mention that there are a few minor cavities and one big one on her lower left rear molar. I ask if she would like to have them all taken care of in this session or break it into two? She thinks for a moment more and says we should take care of them all right now.

She wriggles in the chair as my assistant puts the bib around her neck and preps my instruments. I ask her to tip her head back and open. She tips her head back and, I'm sure, notices my assistant prepping something behind us. Suddenly, I feel her elbow brush my crotch as she wiggles a little in the chair.

I ignore it but she looks at me straight in the eyes. Now I've had many an elbow or arm brush me there, but this one seemed intentional. Then she slowly closes and opens her eyes and I feel myself falling under her spell. She said no to Novocaine so I begin to work on her wide open mouth.

As I inserted various instruments to work on her teeth, she would wrap her tongue around them seductively, or lick my mirror as I was using it in-

side her mouth. At the same time she would adjust herself in the chair, again bumping my crotch.

Now this happened too many times to be an accident. When my assistant stepped out of the room for a minute, well, that's when things got even more interesting. This time she bumped my crotch, but left her elbow there, even pushing it more into me. I now couldn't help but to get aroused and I now she sensed it.

Things quieted down for a moment when my assistant returned, but she told me it was approaching her lunch time and did I want another assistant. I told her that I would be fine because they were only routine fillings. She left and for some reason closed the door behind her. I returned to my patient, raising the chair a little to reach her molar. That's when things got a little weird.

She took the siphon out of her mouth. Needless to say I was quite shocked. She moved her hand more toward the center of my lap. Now, I was totally aroused and not able to understand what is happening, or why. Now, she places her hand on my erection and presses her fingers and asks if it's okay, and I was answerless at that moment. I said with a feeble voice

"Yes." She turned her face toward me and whispered, "Should I go on?"

I just nodded my head dumbfoundedly without saying a thing. She opens her mouth and licks her dry lips with her wet tongue. Her hand was playing with my bulge and trying to zip open my pants I assisted her with opening the zip and pulling out my erection. She gripped my penis with her palm around it and squeezed it. It was totally unbelievable that she was doing this to me, and I was allowing it.

Now, she was lowering her head toward my lap and placed her warm lips around my shaft looking at me with a sharp smile... and again get into business by sucking it more vigorously. I was about to come and tried to pull her head away from my penis but she held it hard and ultimately I ejaculated into her mouth and she swallowed most of it, as some ran onto her cheek.

Suddenly the door opens and it's my first assistant. She sees me trying to zip up quickly and asks 'What's going on here?' I'm so embarrassed, but then she sits on the chair next to my patient and licks the cum off her cheek. They both look at me and smile. I do too, and then go to lock the door.
